Upper Sioux Communications Internet Packages

\$35/month

1 Mb Package – *Internet download speeds up to 1 Mb*

This is your basic internet package for the minimal user. Check your email, lookup the weather, do some research, online shopping or just surfing the web.

\$60/month

5 Mb Package – *Internet download speeds up to 5 Mb (5x faster than our 1 Mb Package)*

Great for households running multiple computers or online devices and streaming video.

Service installation requires 1 computer (desktop or laptop) with recommended system specifications of:

- ❖ *1.6 GHz or higher CPU*
- ❖ *1 GB or more System Memory*
- ❖ *16 GB or more Hard Disk space*
- ❖ *Windows 7 or newer recommended.*
- ❖ *And an Ethernet card or wireless adaptor. (Installation of needed equipment is available during service installation at cost of equipment.)*

One time service installation is free and includes hookup for one computer location and setup of internet. Additional computer wiring/hookups and networking equipment are available for a fee.

Want a little more speed?

Signup to have your bill paid from your Per Capita payment automatically and receive 20% more bandwidth. Balance must be completely paid to qualify.

To sign up for service, please call to schedule your internet service installation.

Angela Ochoa – Network Administrator: 320-564-6323

General installation usually requires 1.5 – 2 hours.

Services currently only available on Upper Sioux Community reservation.
