

Dawn Neighoff

CLEAN SWEEP ENTERPRISES, INC.

Clean Sweep Enterprises is a locally owned, certified Woman-Owned business since 1991, providing comprehensive solutions for property damage – water, fire, mold, and sewage. Your trusted partner in restoration services.

What do you look forward to each day when you go to work?

Every morning, as the owner of Clean Sweep, I wake up with a sense of purpose and excitement. The anticipation of what the day will bring is what truly motivates me. It's the satisfaction of knowing that I'm leading a team of professionals who are not just focused on getting the job done, but doing it with utmost respect and empathy towards our clients. Our line of work isn't easy – we're often called upon during people's difficult times – fire accidents, water damage, mold issues, but we're there to bring hope, to let them know that we can get them back on track.

It's also about our role within the local community. As a locally owned and operated business since 1991, we have deep-rooted connections with our neighbors. Our commitment extends beyond business hours; we participate in local events, support local initiatives, and essentially, serve as a helping hand to those in need. This ongoing engagement and the ability to make a real difference is truly what I look forward to every day.
