### Online Disaster Plan Platform

AJ Development Group offers access to our unique online disaster preparedness tool for all commercial facilities in Milwaukee, WI and surrounding areas. We assist you in preparing, executing, and planning for the inevitable of future damage to your facility.

### Minimize Disruption

By having a plan in place you are better prepared to respond to anytime of emergency in your facility. Of businesses who have a disaster, 25% never reopen. On top of that one in five businesses spend no time maintaining their plan.

### Priority Service

By signing up for our Emergency Response Program, you will receive priority service in the event of any disaster. Plan in advance, minimize disruption.
