

ASTEE Professional Development Award

We are pleased to announce that the ASTEE Professional Development Award will be offered again in 2019. This award supports trace evidence training by providing funding for any upcoming 2019 through September 2020 McCrone Research Institute class and up to a \$500 travel stipend. Professional development activities not only deepen our knowledge and skills as professionals, they also energize us with a new enthusiasm. In order to apply for this Professional Development Award, proof of membership in ASTEE is required.

Applicants should submit a letter with name, address, occupation, phone number and e-mail where they can be reached, information detailing the course they would like to attend at McCrone Research Institute, and a letter explaining how this class will help with their Trace Evidence professional development. The information should be emailed or sent to:
