

American Society of Trace Evidence Examiners Scholarship Award

Criteria: This scholarship of \$500 and a 2 year student membership in ASTEE is to be presented to a student who has demonstrated academic excellence in the field of Forensic Science, with an emphasis in Trace Evidence.

Eligibility Requirements: Applicants must be currently enrolled as a graduate student in a Forensic Science or related science program with plans on pursuing work in the Trace Evidence field. Applicants must demonstrate excellence in his/her academic program.

Application Requirements: Applicants will submit an essay of no more than 1000 words in which they detail their personal goals with regards to Trace Evidence, their achievements, and why they feel they should be considered for this award. Applicants will provide an official school transcript which must include semester grades for the most recent completed semester, and a letter of recommendation from a professor in the applicant's graduate curriculum. Applicants will submit the Scholarship Applicant form and the Scholarship Recommendation Form with their application materials.

All required materials must be received no later than midnight on February 15, 2019. Applicants may e-mail all materials except the official school transcript. The school transcript must be an original mailed by the school or the applicant or an official electronic transcript emailed by the school.

Interested candidates should submit all required materials to:
