# ABOUT US

## Who we are...

Office Furnishing Solutions is a furniture manufacturer based in Stevens Point, WI that has been supplying the contract furniture industry for over 25 years. Our manufacturing line was created to provide high quality commercial office furniture to our dealerships' clientele who demand stylish and flexible furniture without the premium price tag. We take pride in our ability to provide effective solutions and to create positive change in the commercial office furniture industry.

## Our commitment to environmental stewardship...

Our GREEN manufacturing processes are second to none. Many of our products can contribute to LEED Certification. Look for our leaf symbol throughout the pricer. Some of the products we offer contribute to LEED accreditation by satisfying one or more of the following LEED certification criteria:

- Products improve energy and atmosphere.
- Products consist of recycled or recyclable materials and resources.
- Products improve indoor environmental quality.
- Products apply to innovation and design process.

All operating divisions of our corporation are engaged in manufacturing processes focused on environmental stewardship. By recycling and re-purposing post-consumer materials, both in our products and in our processes, we reduce our carbon footprint during production and eliminate significant waste that might otherwise go to a landfill. Through our many years of disciplined manufacturing, we have effectively prevented over 300 million pounds of waste from going to landfills.

From production to warehousing and shipping, we make sure that we do it GREEN! In our production process we use water based paints and adhesives, reuse post-consumer materials and components wherever practical, and engage in a strict recycling program for all manufacturing byproduct. Our warehouses even use energy efficient lighting and motion sensors to turn on the lights only when they are needed.

## Dealer Services

Office Furnishing Solutions supports our furniture dealers by providing professional services to assist them in satisfying the needs of their valued clients. See below for a select list of interior design and graphic presentation services offered:

CAD based space planning delivered via the following methods:

Design drawings and specifications in AutoCAD drawing files, CAP SP4 and SIF files for order processing and presentation purposes.

Customized sales presentations provided in PDF and PowerPoint formats including photo-realistic renderings, video files for 3D walk-throughs and digital files.

Customization can include dealership and client information and graphics, pricing, finish offerings and more.

Upon request, we can provide printed and bound presentations.

# WORK SURFACES

# RECTANGULAR WORK SURFACES

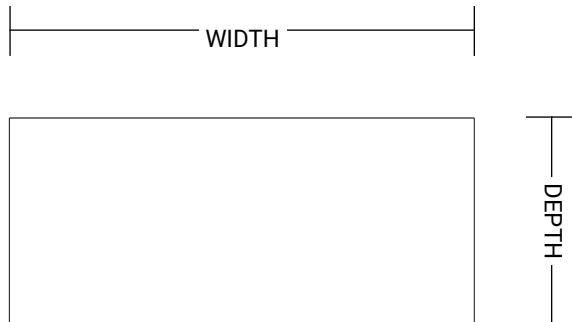

**DESCRIPTION** Work surfaces can be supported by panels, cantilevers, columns and legs. Each has a laminate top and a PVC edge. There is approximately a 1" gap at the back of the work surface for plug and cord passage.

- NOTES**
- Grommets: Add "-G" to the end of the PART # and add \$35 (LIST price) per standard grommet. Standard location is the center back, 3" from the edge of the work surface to the center of the hole. Grommets will complement the trim, unless otherwise specified.
  - Specify grommet color: Black, Light Grey, or Putty
  - Specify support separately.

**FINISH SPECIFICATIONS EXAMPLE**

**Part #:** RWS1824

- **Edge Finish:** Fusion Maple PVC
- **Work Surface Finish:** WA 7909-60 Fusion Maple

**NOTE:**

- LIST prices are for standard laminate surface and PVC edge. Non-standard finishes may result in additional charges. Please call for pricing.
- Unsupported spans greater than 42" require the addition of an under-surface stiffener bar. Stiffener bars must be ordered separately. Add \$105 to LIST price and add suffix "ST" to the PART #. See page 51.
- Surfaces longer than 10' will be shipped in two pieces. Please call for pricing.

# 90° CORNER WORK SURFACES

## DESCRIPTION

Work surfaces can be supported by panels, cantilevers, columns and legs. Each has a laminate top and a PVC edge. There is approximately a 1" gap at the back of the work surface for plug and cord passage. It has 24"D or 30"D connecting sides.

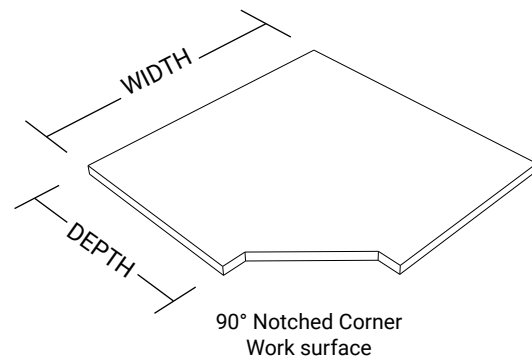

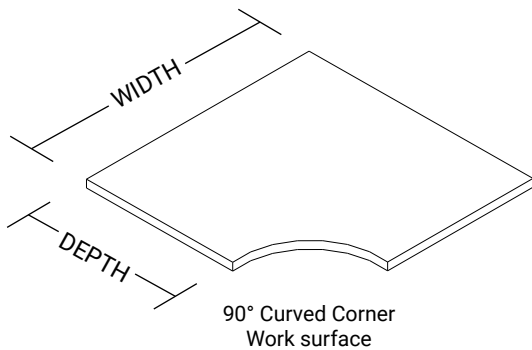

## NOTES

- Grommets: Add "-G" to the end of the PART # and add \$35 (LIST price) per standard grommet. Standard location is the back corner, 3" from the edge of the work surface to the center of the hole. Grommets will complement the trim, unless otherwise specified.
- Specify grommet color: Black, Light Grey, or Putty
- Specify corner style: Curved (CUR) or Notched (NTC)
- If corner style is not specified, Curved (CUR) style will be shipped as default.
- Specify support separately.

## FINISH SPECIFICATIONS EXAMPLE

**Part #:** CORWS2436

- **Corner Style:** CUR
- **Edge Finish:** Fusion Maple PVC
- **Work Surface Finish:** WA 7909-60 Fusion Maple

## 90° CORNER WORK SURFACE

PART #	WIDTH	DEPTH	LIST
CORWS2436	36"	24"	\$468
CORWS2442	42"	24"	\$592
CORWS2448	48"	24"	\$672
CORWS3036	36"	30"	\$506
CORWS3042	42"	30"	\$629
CORWS3048	48"	30"	\$684

## NOTE:

- On Notched Corner Work surfaces, all inside corners are radiused to eliminate seams.
- LIST prices are for standard laminate surface and PVC edge. Non-standard finishes may result in additional charges. Please call for pricing.
- Unsupported spans greater than 42" require the addition of an under-surface stiffener bar. Stiffener bars must be ordered separately. Add \$105 to LIST price and add suffix "ST" to the PART #. See page 51.
- Specify Corner Style: Curved (CUR) or Notched (NTC)
- If corner style is not specified, Curved (CUR) style will be shipped as default.

Straight Front Corner Work surfaces are offered. Custom sizes are also offered. Please call for pricing and availability.

# 120° CORNER WORK SURFACES

## DESCRIPTION

Work surfaces can be supported by panels, cantilevers, columns and legs. Each has a laminate top and a PVC edge. There is approximately a 1" gap at the back of the work surface for plug and cord passage.

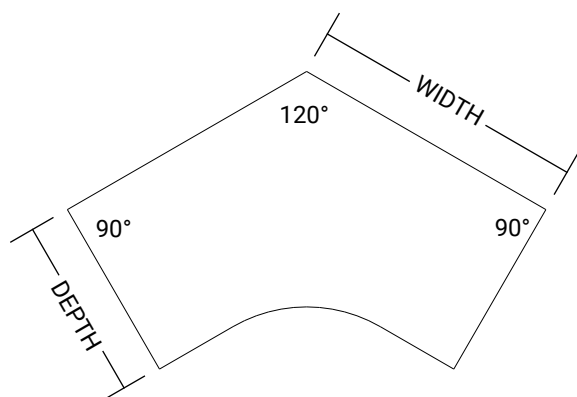

## NOTES

- Grommets: Add "-G" to the end of the PART # and add \$35 (LIST price) per standard grommet. Standard location is the back corner, 3" from the edge of the work surface to the center of the hole. Grommets will complement the trim, unless otherwise specified.
- Specify grommet color: Black, Light Grey, or Putty
- LIST prices are for standard laminate surface and PVC edge. Non-standard finishes may result in additional charges. Please call for pricing.
- Specify support separately.

## FINISH SPECIFICATIONS EXAMPLE

**Part #:** 120/90WS2424

- **Edge Finish:** Fusion Maple PVC
- **Work Surface Finish:** WA 7909-60 Fusion Maple

### NOTE:

- The outermost point in the "bubble" extends 6" past the Width dimension.
- LIST prices are for standard laminate surface and PVC edge. Non-standard finishes may result in additional charges. Please call for pricing.
- Unsupported spans greater than 42" require the addition of an under-surface stiffener bar. Stiffener bars must be ordered separately. Add \$105 to LIST price and add suffix "ST" to the PART #.

Custom sizes are offered. Please call for pricing and availability.

# SPECIAL APPLICATIONS: ASYMMETRICAL WORK SURFACES

## DESCRIPTION

Work surfaces can be supported by panels, cantilevers, columns and legs. Each has a laminate top and a PVC edge. There is approximately a 1" gap at the back of the work surface for plug and cord passage.

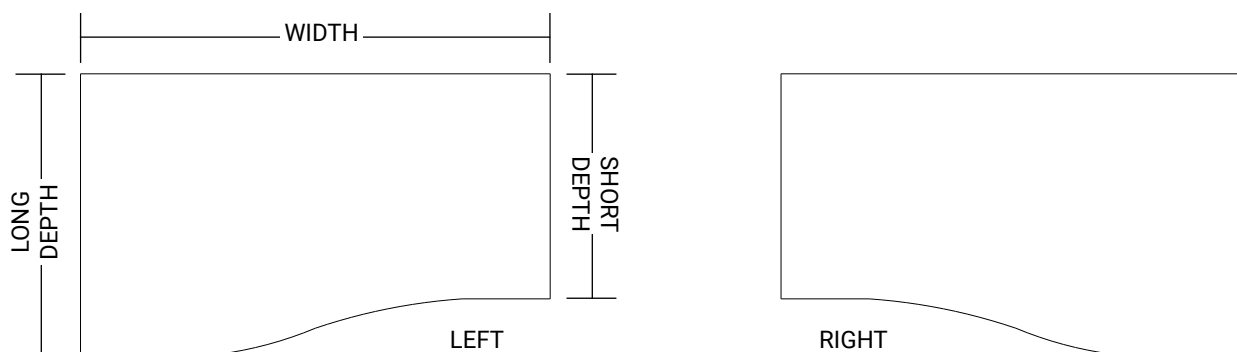

## NOTES

- Grommets: Add "-G" to the end of the PART # and add \$35 (LIST price) per grommet. Standard location is the center back, 3" from the edge of the work surface to the center of the hole. Grommets will complement the trim, unless otherwise specified.
- Specify grommet color: Black, Light Grey, or Putty
- Specify L for Left Extended or R for Right Extended
- Specify support separately.
- LIST prices are for standard laminate surface and PVC edge. Non-standard finishes may result in additional charges. Please call for pricing.

## FINISH SPECIFICATIONS EXAMPLE

**Part #:** RAW243030

- **Left or Right Extended:** L
- **Edge Finish:** Wild Cherry PVC
- **Work Surface Finish:** WA 7054-60 Wild Cherry

## SPECIAL APPLICATIONS: ROUND SHAPED WORK SURFACES

### DESCRIPTION

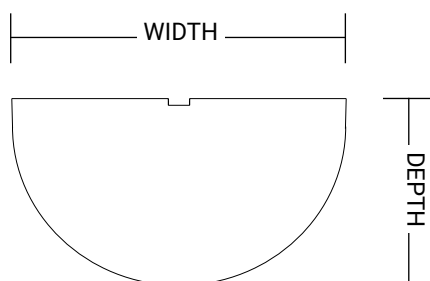

Half Circle Work surface has a notch, and attaches to the end of two back-to-back Rectangular or Extended Corner Work surfaces.  
U-Shaped Work surface hangs from a panel or wall strips.  
Each has a laminate top and a PVC edge. There is approximately a 1" gap at the back of the work surface for plug and cord passage.

### NOTES

- Specify support separately.

### FINISH SPECIFICATIONS EXAMPLE

- Part #:** SWS3050
- **Edge Finish:** Fusion Maple PVC
  - **Work Surface Finish:** WA 7909-60 Fusion Maple

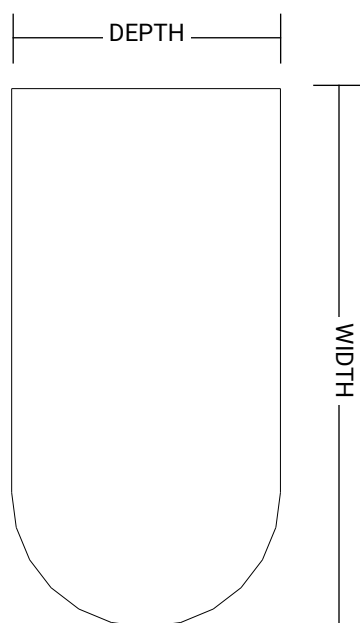

### SPANNER HALF CIRCLE WORK SURFACE

PART #	WIDTH	DEPTH	LIST
SWS3050	50.25"	30"	\$692
SWS3662	62.25"	36"	\$781

#### NOTE:

- The size of the work surface is based off the width of the panel being spanned and the depth of the two work surfaces.
- LIST prices are for standard laminate and PVC edge. Non-standard finishes may result in additional charges. Please call for pricing.

TWS1572	72"	15"	\$409
TWS1596	96"	15"	\$516

CORNER TRANSACTION WORK SURFACE		
PART #	PANEL WIDTH	LIST
90TWS-A-B	Specify dimensions A & B (in inches)	(Dim. A x Dim. B) ÷ 2 = LIST
Example: 90TWS-72-48	Dimension A = 72" Dimension B = 48"	(72 x 48) ÷ 2 = \$1,152

## NOTE:

- Order Corner Transaction Surface based on individual or combined panel widths.
- Maximum combined panel width in one direction is 52", with maximum combined panel width 96" in the other direction.
- Specify total width of panels of dimension A.
- Specify total width of panels of dimension B.
- Corner Transaction Surfaces can be specified with default 90° squared corners. Rounded corners can also be specified at the same price.

# SPECIAL APPLICATIONS: BOW SHAPED DESK SURFACES

## DESCRIPTION

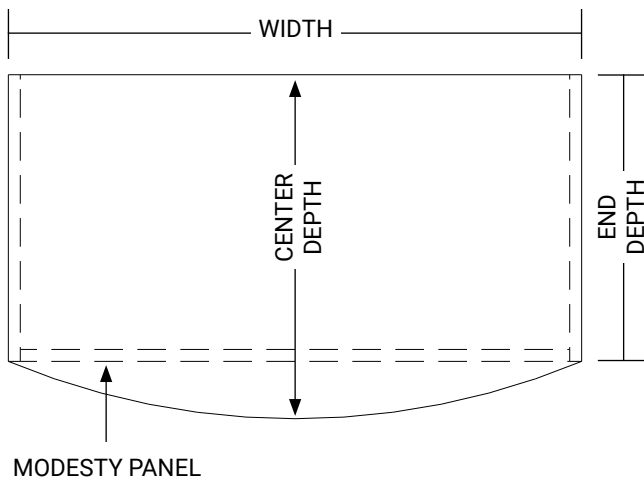

Work surfaces can be supported by panels, cantilevers, columns and legs. Each has a laminate top and a PVC edge. There is approximately a 1" gap at the back of the work surface for plug and cord passage. Order wire management, grommets, and other peripherals such as data communication ports separately.

## NOTES

- Specify Data Communication and Power Modules separately.
- Grommets: Add "-G" to the end of the PART # and add \$35 (LIST price) per grommet. Standard location is the center back, 3" from the edge of the work surface to the center of the hole. Grommets will complement the trim, unless otherwise specified.
- Specify grommet color: Black, Light Grey, or Putty
- Specify support separately.

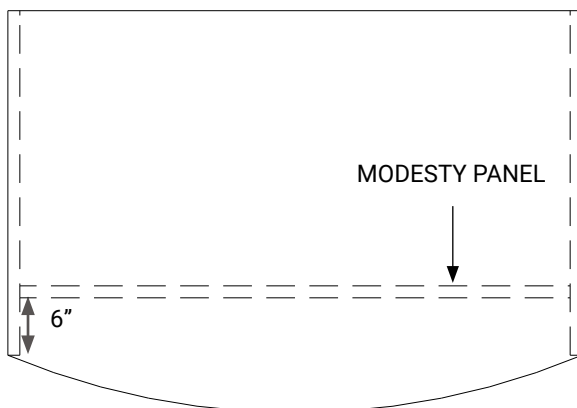

## FINISH SPECIFICATIONS EXAMPLE

## NOTE:

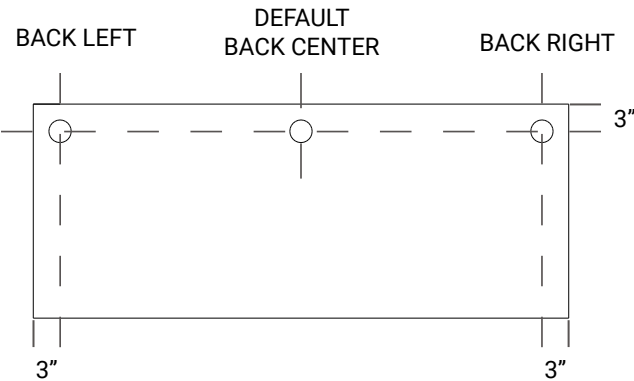

- LIST prices are for standard laminate and PVC edge. Non-standard finishes may result in additional charges. Please call for pricing.
- Unsupported spans greater than 42" require the addition of an under-surface stiffener bar. Stiffener bars must be ordered separately. Add \$105 to LIST price and add suffix "ST" to the PART #.
- A Modesty Panel, if specified additionally, can be installed in-line with or 6" in from Bowed edge corners.
- Surfaces longer than 10' will be shipped in two pieces. Please call for pricing.

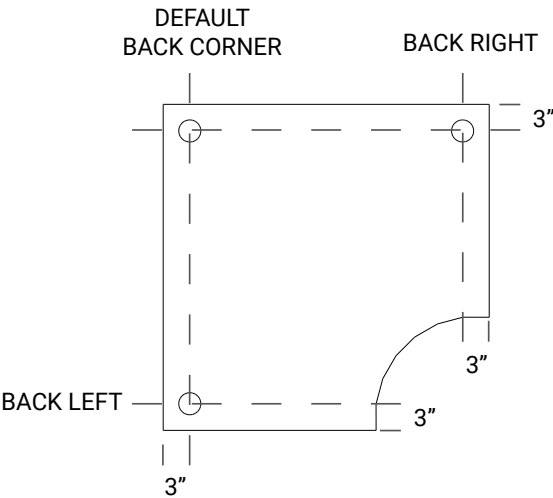

# WORK SURFACE GROMMETS

Standard grommet locations are shown in the diagrams below, and differ depending on the application. Special placement is available upon request.

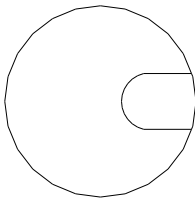

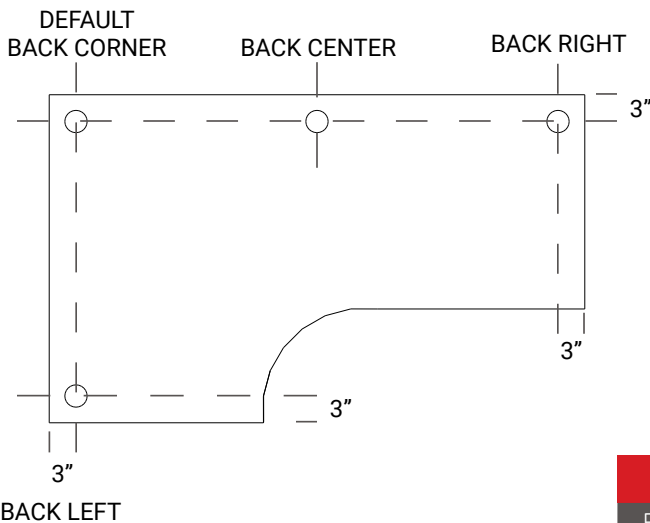

Rectangular Applications

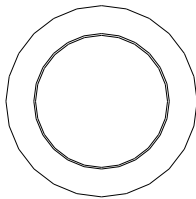

Corner Applications

Extended Corner Applications

Grommet Cover

Grommet Insert

GROMMET		
PART #	DESCRIPTION	LIST
GROM	2-piece pass through grommet, no power	\$35

NOTE:

- To specify a grommet in a work surface, add suffix "-G" to PART # and add \$35 to LIST price per grommet ordered.
- Fits in standard 2.5" diameter hole.
- Standard grommet locations shown in diagrams. Special placement available upon request.
- Specify grommet color: Black, Light Grey, or Putty. Other colors available upon request for an upcharge.
- Unless otherwise specified, grommets will be placed in the back center of all rectangular work surfaces, and the back corner of all corner or extended corner work surfaces.
- Power/Data/Com hardware available. Call to request a quote.

# TABLES & BASES

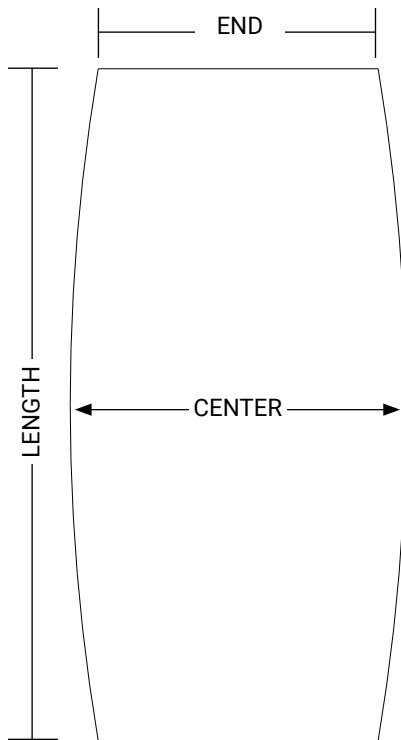

# CONFERENCE TABLES - BOAT SHAPED

**DESCRIPTION** Table surface can be supported by columns and table legs. It has a laminate top and a PVC edge. Order wire management, grommets, and other peripherals such as data communication ports separately.

- NOTES**
- Specify Data Communication and Power Modules separately.
  - Grommets: Add "-G" to the end of the PART # and add \$50 to LIST per Power/Data grommet. Specify grommet location. Power/Data grommet openings are left exposed to accommodate space for Power/Data units.
  - Specify support separately.

**FINISH SPECIFICATIONS EXAMPLE**

- Part #:** BSWS303672

# TABLE BASES

## DESCRIPTION

Arch bases boast elegance and stylish contemporary look. The base is constructed by welding components together to create maximum strength and stability. Base height is 27.75". The column tubing is 2" OD x 14 gauge. The base tubing is 1.375" OD x 13 gauge.

## NOTES

- Price is for 1 unit. Please order as necessary.
- Additional heights are available. For a shorter base, add \$84 to LIST. For a taller base, add \$118 to LIST.
- Bar height bases are 40.75" tall and require an addition of \$118 to LIST and add prefix "BH" to PART #.
- Wire management options are available.
- Adjustable Spring Clip: 24.75" to 33.75" in 1" increments. Add \$229 to LIST and add suffix "AH" to PART #.

# TABLE BASES

## DESCRIPTION

Straight legs are functional, high-quality and inexpensive.

Base height is 27.75". The column tubing is 14 gauge for 1.5" and 2" diameter legs. The column tubing is 16 gauge for 3", 4", and 6" diameter legs.

## NOTES

- Price is for 1 unit. Please order as necessary.
- Additional heights are available. For a shorter base, add \$65 for 1.5", \$61 for 2", 3" & 4", \$77 for 6" to LIST. For a taller base, add \$83 for 2", \$118 for 3", \$126 for 4", and \$314 for 6" to LIST.
- Bar height bases are 40.75" tall and require an addition of \$83 for 2", \$118 for 3", \$126 for 4", and \$314 for 6" to LIST. Add prefix "BH" to PART #.
- Wire management options are available.

# ELECTRIC ADJUSTABLE-HEIGHT BASES

**DESCRIPTION**    Use Electric Adjustable-Height Bases to create freestanding desks, or use in cubicle applications.

**NOTES**

- 2-Legged Offset Electric Adjustable-Height Bases can be assembled for left or right handed users.
- Unit includes: one 23" foot\*, one 39" foot, and two ultra-quiet motors with programmable control unit.
- Available in Silver/Grey only.

INNOVATIVE OFFSET  
DESIGN

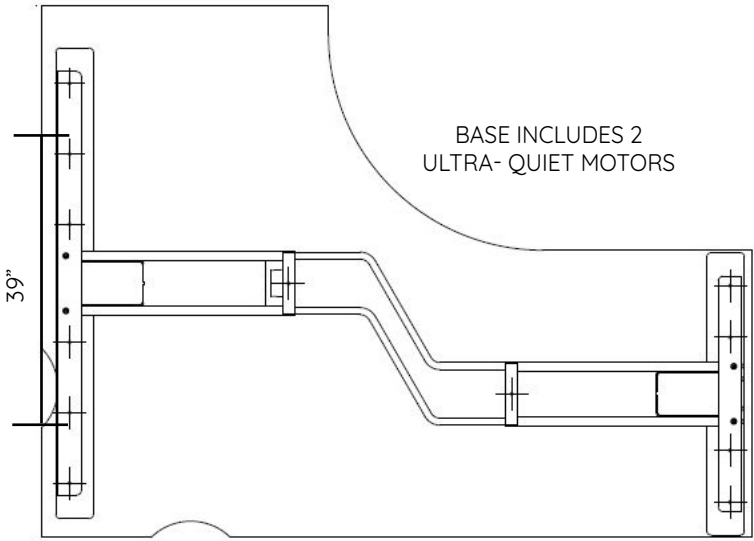

Offset base accommodates  
extended corner surfaces  
without the need for a  
3-legged base.

ELECTRIC HEIGHT-ADJUSTABLE OFFSET BASE						
PART #	DESCRIPTION	BASE HEIGHT	WIDTH	WEIGHT CAPACITY	FINISH	LIST
IAF-2AR3S-G	2 LEGGED	23.6" - 49.2"	40" - 71"	225 LBS	Silver/Grey	\$1,634

3 STAGE LEG ADJUSTS  
FROM 23.6"-49.2"  
EXCLUDING SURFACE

**NOTE:**

- Order extended foot for 30" deep surfaces.

## ELECTRIC ADJUSTABLE-HEIGHT BASES

**DESCRIPTION** Use Electric Adjustable-Height Bases to create freestanding desks, or use in cubicle applications.

**NOTES**

- Unit includes: two or three standard 23" feet\* and two or three ultra-quiet motors with programmable control unit.

Same telescoping and 3 stage  
leg capabilities consistent with  
our line of bases.

### ELECTRIC HEIGHT-ADJUSTABLE STANDARD BASE

PART #	DESCRIPTION	BASE HEIGHT	WIDTH	WEIGHT CAPACITY	FINISH	LIST

- Available in black or silver.

GANGING HARDWARE		
PART #	DESCRIPTION	LIST
GH	Used to join work surfaces together and dismantle for reconfigurations	\$58/pair

**NOTE:**

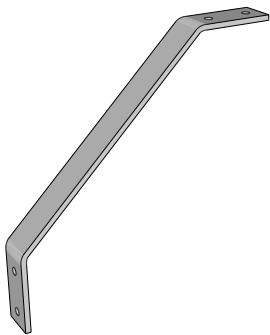

- Applied to underside of work surfaces. Surfaces can be joined by connecting a pair and locking them together.

# WORK SURFACES SUPPORT

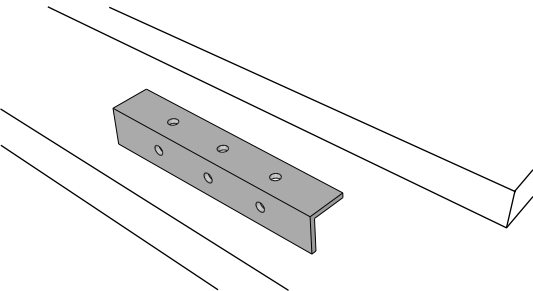

# WORK SURFACE SUPPORTS

DESCRIPTION	Metal work surface supports.
NOTES	<ul style="list-style-type: none"> <li>Standard finish for Cantilever Brackets, L-Brackets, Tie Plates, Side Support Brackets, Stiffener Bars, and Flat Brackets is Dark Tone (<b>SS DT</b>).</li> </ul>
FINISH SPECIFICATIONS EXAMPLE	<b>Part #:</b> FB19

ANGLE BRACKET		
PART #	DIMENSION	LIST
ANGLE	9.625" x 9.625" x 1.25"	\$25

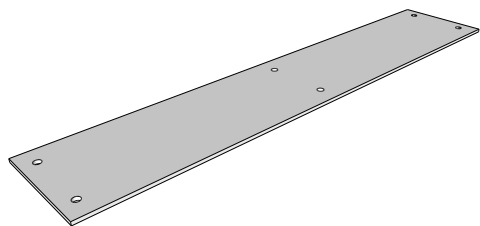

- NOTE:
- Angle Brackets connect work surfaces to another support unit such as an end panel or a modesty panel.
  - Works in conjunction with the L-Bracket.

L-BRACKET		
PART #	DIMENSION	LIST
LB	6" x 1.25" x 1.25"	\$20

- NOTE:
- L-Brackets connect work surfaces to another support unit such as an end panel or a modesty panel.
  - Works in conjunction with the Angle Bracket.

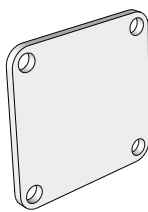

# WORK SURFACE SUPPORTS

FLAT BRACKET			
PART #	LENGTH	WIDTH	LIST
FB9	9"	3"	\$32
FB19	19"	3.75"	\$42
FB25	25"	3.75"	\$47

## NOTE:

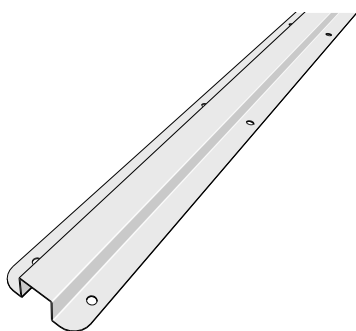

- Flat Brackets connect two work surfaces when a cantilever cannot be used.

TIE PLATE			
PART #	LENGTH	WIDTH	LIST
TIE	2.25"	2.25"	\$16

## NOTE:

- Tie Plates are used to keep flush the front edges of two adjoining work surfaces.

STIFFENER BAR		
PART #	WIDTH	LIST
STIFFENER	57"	\$105

## NOTE:

- Use them on unsupported spans of 42" or more. Office Furnishing Solutions recommends surfaces be supported every 42".
- Stiffener Bars will help keep work surfaces straight and true, and prevent work surfaces from bowing.
- **STIFFENER BARS ARE NOT A REPLACEMENT FOR PROPER SUPPORT.**

# WORK SURFACE SUPPORT PANELS

**DESCRIPTION** Provides support to the work surface.

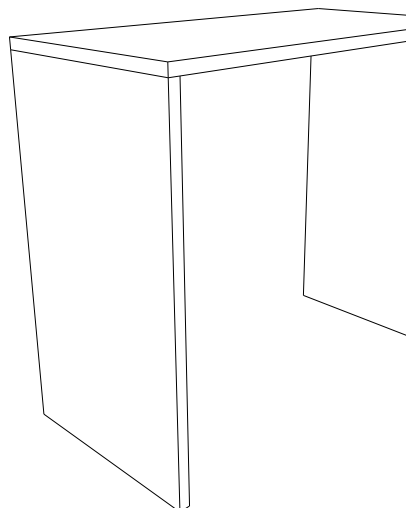

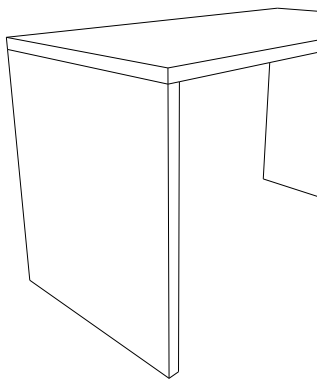

## NOTES

- Non-handed panel supports, with PVC edge. Add 15% to LIST for laminate edges.
- Attached to work surface using L-Brackets and Angle Brackets (both included).
- Includes leveling glides and attachment hardware.
- End Panels are 1-1/4" thick.
- End Panels are finished on the front and back edges. Top edge is raw unless otherwise specified.
- For wood grain laminates, the grain will run vertical on all end panels 60" or less.
- End panels are made with laminate (standard) or melamine (BLK end panels.) Specification example should reflect laminate and PVC application.

## FINISH SPECIFICATIONS EXAMPLE

**Part #: EP24**

- **Edge Finish:** Wild Cherry PVC
- **Laminate Finish:** WA 7054-60 Wild Cherry

# MODESTY PANELS

## NOTE:

- Laminate Modesty Panels are 1-1/4" thick.
- Attachment hardware to attach to work surfaces – L-Brackets and Angle Brackets – is included.
- Laminate Modesty Panels are finished in matching PVC edge when possible. Otherwise, a laminate edge can be used with self-edge upcharges.
- For wood grain laminates, the grain will run vertical on all Modesty Panels 60" or less.
- Full height modesty panels are finished on the sides, but tops and bottoms are raw and have leveling glides.
- Half height modesty panels are finished on the sides and bottom and don't have leveling glides.

## NOTE:

- Metal Modesty Panels are solid and do not include any perforations.
  - Wire management tray at bottom is 2" deep.
  - Fasteners to attach to work surfaces are included.
  - Metal Modesty Panels are designed to be in-set 6" from each side of the work surface.
  - Specify metal color code as suffix to PART #.
- Refer to [www.SegmentedSystemsMfg.com](http://www.SegmentedSystemsMfg.com) for finish options.

# TERMS AND CONDITIONS

## PRICES

All prices are presented at manufacturer's list price. Dealer discounts are specified in the dealership agreement. We reserve the right to change prices without prior notice.

## LEAD TIMES

Our standard lead time is 3-4 weeks for production. Please contact our Customer Service Department if expedited production is required.

## FREIGHT

Freight is FOB Stevens Point, WI unless otherwise specified in your dealership agreement. In the absence of other instructions, we will coordinate freight, prepay and add it to your invoice. Office Furnishing Solutions will attempt to honor timed delivery requests, but will not be held responsible for delays with timed deliveries, unless the shipment has been guaranteed with the carrier in writing. Should an LTL shipment require the carrier to schedule a dock appointment, any additional fees will be added to the invoice.

## ORDERING

Customer should send purchase orders to Office Furnishing Solutions at [CustomerService@roefurniture.com](mailto:CustomerService@roefurniture.com), or faxed to (715) 345-2341. If your specifications were created with CAP or GIZA, please send the worksheets in PDF & SP4 with your purchase order.

## TERMS

With an approved credit application, terms are net 30 days from date of invoice. Invoices are delinquent if unpaid 30 days from date of invoice. Interest will be charged at the rate of 1.5% per month, or the highest legal rate, on delinquent accounts. Credit card payments will be assessed a handling fee. Customer will also be liable for all collection costs and attorney's fees.

## ORDERS

Orders are only accepted by issuance of a formal acknowledgment, and are subject to the terms set forth herein and on our order acknowledgment. It is the Customer's responsibility to review our acknowledgment for its accuracy, and to notify Office Furnishing Solutions within 24 hours from the date of the acknowledgment of any inconsistencies. We reserve the right to substitute functionally comparable product.

## SHIPPING

Office Furnishing Solutions generally palletizes, boxes and/or stretch-wraps its products. If Customer requests additional packaging or special shipping, they are responsible for any extra costs. Customer obtains title to products and assumes the risk of loss for them upon shipment from our plant.

## TRANSIT DAMAGE

Office Furnishing Solutions is not responsible for damage suffered in transit. All merchandise is packed in an approved manner. Inspect all merchandise immediately. If a shipment is or appears to be damaged, **STOP!** Before the driver leaves, Customer must make specific damage/shortage notes on the

bill of lading and take photos at delivery before the shipment is unpacked or disturbed. If you sign the B.O.L. without noted issues you agree the shipment arrived in acceptable condition. **Freight Company assumes NO product damage liability if bill of lading is signed without notations.**

## CLAIMS

Customer must make all claims against Office Furnishing Solutions for defects, errors, or shortages in writing within 10 days after delivery. Failure to make such a claim shall constitute full acceptance.

## RETURNS

Merchandise may not be returned without Office Furnishing Solutions' written consent and shipping instructions. Unauthorized returns will not be credited and return freight will be Customer's responsibility.

## PARTIAL SHIPMENTS

Every attempt will be made to ship orders complete and on schedule. However, Office Furnishing Solutions reserves the right to make partial shipments, as merchandise is ready. Invoices covering these shipments are to be paid as they become due.

## ORDER CHANGE — CANCELLATIONS

After our detailed acknowledgment of an order, any order change or cancellation is subject to Office Furnishing Solutions' written approval.

## DELIVERY

Office Furnishing Solutions is not liable for delay or failure of delivery due to strikes and/or differences with workmen, war, riot, fire, compliance with government regulations, acts of nature, failure or delays of sources of supply, or any other causes beyond our control.

## STORAGE

If Customer cannot accept delivery when merchandise is ready, Office Furnishing Solutions reserves the right to transfer goods to storage. Costs of transfer and storage will be the Customer's responsibility. We will deem such transfers as constituting shipment for all purposes, including invoicing, as of the date the transfer is made.

## ABOUT US

Office Furnishing Solutions is the umbrella brand of Recycled Office Environments, Inc. To learn more about what we offer, visit us online at the following URLs:

**Office Furnishing Solutions:** [OfficeFurnishingSolutions.com](http://OfficeFurnishingSolutions.com)

**Segmented Systems Mfg.:** [www.SegmentedSystemsMfg.com](http://www.SegmentedSystemsMfg.com)

# TERMS AND CONDITIONS

## FINISHES

Please visit the Segmented Systems Mfg. website for current standard finishes.

## CONSTRUCTION – SPECIFICATIONS

All items are produced to price list specifications unless otherwise advised. All dimensions shown are approximate. The manufacturer reserves the right to make modifications and/or improvements without prior notice.

## DIRECTIONAL LAMINATE

Laminate is typically applied with the direction of grain as follows:

- The grain runs in the direction of the back edge of corner work surfaces (not diagonally).

- The grain runs along the length of rectangular work surfaces.
- The grain runs vertically on support panels having widths narrower than 60" and horizontally for longer widths.

## CUSTOMER'S OWN MATERIAL (COM)

Contact us regarding the use of non-standard or COM materials. Special instructions for handling the material (pattern, directional fabric, side of reversible fabric, etc.) must be submitted in writing prior to fabric delivery. In the absence of special instructions, we reserve the right to use our own judgment. We reserve the right to reject any covering which, in our opinion, is unsuitable for our fabricating purposes. However, in no instance shall we be held responsible for unsatisfactory results due to use of Customer's Own Material.

## RIGHTS AND WARRANTIES

### 12 Year – 3 Shift Limited Warranty

This limited warranty is given to the initial purchaser and is valid from the date of purchase through the warranty period provided the initial purchaser owns the product. This warranty covers defects in material and craftsmanship found during normal usage of the product. If the product is defective, and if written notice of the defect is given to Office Furnishing Solutions within the applicable warranty period, Office Furnishing Solutions, at its option, will either repair or replace the defective product with a comparable component or product. Office Furnishing Solutions may also opt to provide a financial settlement equivalent to the market value of a comparable component. This warranty applies to all products unless noted below, or otherwise excepted.

High wear parts, such as laminate and veneer surfaces, fabrics, and other covering materials and finishes, foam, glides, and any products or components that are repurposed or remanufactured, are warranted for one (1) year. Vended components or items distributed by Office Furnishing Solutions or used in the manufacturing process are limited by the warranty offered by the original equipment manufacturer or the subject components or items.

Office Furnishing Solutions is not responsible for damage caused in transit or by a carrier. Office Furnishing Solutions is not responsible for alteration to the product not expressly authorized by Office Furnishing Solutions.

Product considered to be of a consumable nature such as light bulbs, light ballasts, etc., as well as "Customer's Own Material" (i.e. material specified by the customer that is not a standard Office Furnishing Solutions offering) is warranted for 90 days.

Office Furnishing Solutions does not warrant the matching of finishes including colors, grain and textures.

A product will not be considered defective, and Office Furnishing Solutions will not be obligated to warrant it, if it is not installed in a proper (i.e. product not leveled, not secured properly, etc.).

Except as noted above, Office Furnishing Solutions makes no express or implied warranties for any product, and in particular, makes no warranty of fitness of particular use. At Office Furnishing Solutions' option, product repair or replacement or a financial settlement at fair market value of a comparable product is the customer's exclusive remedy for all product defects.

Office Furnishing Solutions shall not be liable for consequential, economic, or incidental damages arising from any product defect. Expenses beyond the warranted product, including freight and installation services, are not covered by this warranty. All replacement products will ship FOB Stevens Point, WI.

Your Office Furnishing Solutions dealer is our partner in supporting your warranty requests. To obtain support under this warranty, please contact your authorized Office Furnishing Solutions dealer.

Note: The products listed in this pricer are manufactured by, or for distribution by, Office Furnishing Solutions. Any reference or similarity to the products of an original equipment manufacturer (OEM) is not an expression of their approval or authorization.
