

EMPLOYMENT OPPORTUNITY
Upper Sioux Community Social Services
Chemical Health Case Manager / Rule 25 Assessor

Salary: Depending on Qualifications and Experience
(Applications will be taken until position is filled)

Position Requirements:

- Baccalaureate Degree in Social Work/related field preferred or work experience equivalent
- Documented 2 years of sobriety
- Qualified to perform Rule 25 Assessments or ability to obtain 30 hours training for qualification.
- Submit to drug test and background check before taking the position
- Must have current Minnesota Driver's License and vehicle insurance
- Must be able to work a 40-hour week with on-call hours possible

Position Responsibilities:

- Client confidentiality is a crucial element to the integrity of the Chemical Health Program
- Complete Rule-25/Chemical Use Assessments in a timely manner
- Assist with development of individual treatment plan
- Documentation of treatment progress
- Crisis intervention
- Work in conjunction with appropriate departments within the USC Agency and cooperatively with all outside agencies to provide service to the Upper Sioux Community members
- Arrange and transport clients to appropriate outreach facilities
- Monthly Random Drug Testing of Upper Sioux Community Employees
- Submit required documentation/reports to Minnesota Department of Health in a timely manner

This job description does not exclude additional duties that may occur during the operation of the Social Service or Indian Health Service programs.
