

Certificate of Registration

Precision-Tek Mfg. Inc.

3206 Nordic Road, Arlington Heights, IL 60005, USA

have been assessed and approved to:

ISO 14001:2015 Environmental Management System

The approved management system applies to the following scope:

The manufacture of precision screw machine parts to customer specifications with high levels of dimensional tolerance, surface finish and concentricity in standard and stainless steels, alloys, brass and plastics. In addition, they have the capability of generating intricate contoured parts to the same levels of accuracy and surface finish. They normally manufacture to specific customer orders but do stock overruns of certain frequently ordered products where there is a known future requirement and where the customer requires just in time delivery. They supply high quality products to customers in the dental instrument, medical, aerospace, electronics and automotive industries in the USA.
